

## Introduction to Q&A Series

- Since the Teamsters union filed its petition there have been many questions raised about unions and the Teamsters.
- So that you have all the facts before the election, we will post “Q&As” throughout the campaign addressing questions that have been raised by our colleagues and giving short, factual answers to those questions.
- If you have any questions, please see your supervisor or HR. We will try our best to answer any questions you may have.

# Get the Facts!
