

The Real Story About  
**STRIKES**

**STRIKERS:**

1. Lose their paycheck;
2. May not collect unemployment benefits;
3. Must pay the full premium if they choose to continue health insurance during a strike;
4. Can be permanently replaced in strikes over economic demands;
5. Do not have an automatic right to their job after the strike if they are permanently replaced;
6. Permanently replaced employees can only ask for their job back and **hope** for an opening.

We do not want a strike.  
We don't think you do either.
