

STRIKE CALCULATOR

Can you afford to miss work?

If you go on strike:

- You will not get paid wages
- You will not collect unemployment
- You will have to pay your full premium for your medical benefits
- You may be permanently replaced in an economic strike

The average Teamster strike lasts 68 workdays!

If your hourly rate is:	A 29-day strike could cost you:	A 68-day strike could cost you:	A 351-day strike could cost you:**
\$22.08	\$7,043.52	\$16,515.84	\$85,250.88
\$22.35	\$7,129.65	\$16,717.80	\$86,293.35
\$28.06	\$8,951.14	\$20,988.88	\$108,339.66
\$29.06	\$9,270.14	\$21,736.88	\$112,200.66

*Assumes all days are workdays, 10-hour days with 8 hours straight pay and 2 hours overtime with no incentives.

** The Teamsters strike in 2013 was a 351-day strike.

SYGMA retains the right to keep operating during a strike.

SYGMA will do everything it can to continue to serve our customers. If you are on strike, SYGMA can bring in colleagues from other locations and hire replacement workers.
